

Summerfruit NZ & ALT

Understorey field walks

26th March 2026

Come along to the Summerfruit NZ and ALT understorey field walk being held in Central Otago on the 26th March. We will visit three of the orchards where understorey has been planted and wrap the 3-year project with the launch of Case Studies that detail the learnings from the project. Hear the grower insights first-hand on the benefits of a diverse orchard understorey.

We will also visit Darlings Orchard to hear about the performance of the NZ Summer Series and catch up on the season.
